- 2) Jim King, Senior Vice President, Corporate Affairs, The ScottsMiracle-Gro Company
- 3) Ann Aquillo, Vice President, Corporate Affairs, The ScottsMiracle-Gro Company

Topics for Discussion

- 1) Introductions and Brief Company Overview
- 2) Regulatory Reform Suggestions for Consideration by the US EPA: We submitted a letter to the White House in April 2017 which provides background on the topics listed below. We also will bring some examples to show labels can be improved for the consumer.
 - a. Improve the pesticide label to help the consumer
 - b. Make clear that the FTC, not EPA, regulates advertising
 - c. Fix the Registration process
 - d. Streamline processes and paperwork
- 3) 24c Update: We would like to discuss the use of the SLN process to help address unique needs in key states related to pesticide use.
